RE: Ripley & New Albany Railroad Co. – Acquisition and Operation Exemption
FD No. 35569

Dear Director Campbell:

Per my telephone conversation yesterday, this will confirm that the projected annual revenues for the rail line between New Albany and Ripley, Mississippi that Ripley & New Albany Railroad Co. proposes to acquire, will not exceed \$5 million.

Please call me if you have any questions.

Sincerely yours,

Daniel A. LaKemper,
General Counsel.
